Important Tuition Dates:

- June 1: All tuition is due as postdated checks by June 1, 2022.

 - August 2, 2022; October 4, 2022; December 6, 2022; February 7, 2023. The fact that HLSB allows tuition to be paid in installments does not create a fractional contract or in any way relieve the parents responsibility for the entire tuition.
 - There will be a \$35 fee for any checks that do not clear, and a \$50 late fee for payments that are over 5 days late each month.

Regarding Tuition

We have worked hard to keep tuition affordable for all families, while also setting a tuition rate that commensurates the value of classical education and what it takes to operate a school. We realize there are many great educational opportunities in the area and it is difficult to make an “apples to apples” comparison but the following tuition rates are what you can expect from a few other options as you are researching which educational path is best for your family.

- Holy Trinity Classical School has a tuition rate of \$2360 for their 2/day a week, **3 hours** a day preschool program, \$7075 for full time kindergarten.
- Classical Conversations has a range from \$600/year for lower to \$1600 in upper (based on location and building fees can fluctuate), plus books and possible other fees. *It is important to note that CC is not a school, but a one day a week program students attend with a parent.*
- Beaufort Academy and JP2 both range from \$9600 to \$13,700/yr.
- Veritas Academy has a tuition rate of \$3500 for three day preschool to \$7960/year for full time.

With this said, as families with many children ourselves- we realize that the financial aspect of tuition for many children can be a true hindrance whether the education is valued or not. Please reach out to one of the directors if you are in this position, if a classical cottage school education is what is truly desired for your children, there are ways we can help.
